

VACANCY

DIESEL MECHANIC

Do you enjoy working with specialist machinery? Does the challenge of fixing what's under the cab excite you? Are you looking to join a team where innovation is at the heart of everything you do?

At Regal, we're looking for an experienced diesel mechanic to join our workshop team. You'll have the opportunity to work in an environment where boundaries are continually pushed to deliver smarter, more efficient and more sustainable vehicle performance.

SKILLS REQUIRED:

If you're a self-starter with experience, initiative and a can-do attitude, this job could be for you. As a Regal diesel mechanic, you'll be guaranteed a job with variety, from general maintenance to servicing, as well as full engine rebuilds, including truck and trailer manufacturing. You'll take pride in your work, responsibility for your tasks, and be committed to delivering a professional and efficient service. Above all, you'll place safety at the forefront of everything you do because at Regal, safety is critically important to us. We do things right and we manage risk.

We're looking for someone who:

- has experience in repairing and servicing truck and trailers (knowledge of Volvo fleet would be an advantage)
- has a clean New Zealand driver's licence to a minimum of Class 4
- is able and willing to work flexible hours
- is physically fit and reliable
- has the ability to work to tight deadlines and meet quality standards
- enjoys being part of a team, communicates effectively and has a strong work ethic
- can adhere to both company and customer Health and Safety requirements, including a pre-employment drug test.
