

VACANCY

Engineer/Welder

Would you like to join a team, leading the way in cutting-edge practices? Are you looking for a role where you can utilise your engineering background and hands-on welding experience?

At Regal, we're looking for an experienced Engineer/Welder to join our busy Engineering Department. You'll have the opportunity to work in an environment where boundaries are continually pushed to deliver smarter, more efficient and more sustainable vehicle performance.

SKILLS REQUIRED:

If you have experience, initiative and a can-do attitude, this could be the job for you. You'll be able and willing to work flexible hours; you will be committed to delivering a professional and efficient service to all Regal clients; and you will take pride in your work. Above all, you'll place safety at the forefront of everything you do because at Regal, safety is critically important to us. We do things right and we manage risk.

We're looking for someone who:

- has experience in aluminium and steel welding
- is able to read design plans
- has a clean New Zealand driver's licence
- is able and willing to work flexible hours
- is physically fit and reliable
- has the ability to work to tight deadlines and meet quality standards
- enjoys being part of a team, communicates effectively and has a strong work ethic
- can adhere to both company and customer Health and Safety requirements, including a pre-employment drug test
- is a NZ resident, or holds a valid NZ work visa
